

Early Replacement Rebate  
Existing Equipment Data Collection  
Central AC or Air Source Heat Pump

**Please provide a few details regarding the old equipment being replaced:**

Outdoor Unit Brand \_\_\_\_\_

Outdoor Unit Model # \_\_\_\_\_

Outdoor Unit Year of Mfg. \_\_\_\_\_

By signing this form, I certify that to my knowledge the system identified above has not been diagnosed with any of the three (3) items listed below:

- Failed compressor
- Cracked heat exchanger
- Excessive refrigerant leak requiring more than three (3) pounds of refrigerant to make operational

As the homeowner/landlord, I am choosing to replace this system before the end of its useful life to increase operational capacity, comfort and/or efficiency.

Home or Property Owner Signature \_\_\_\_\_

Date signed \_\_\_\_\_
